

Benefits of the Supportive Partnership Platform

Organizations in the Supportive Partnership Platform have access to:

Grant Process

- Monthly grant updates
- Support grant application process
- Staff placement, including Canada Summer Jobs

Financial Management

- Track and monitor grant installments, expenses and legal documentation
- Account balance and reconciliation
- Projection of expenses
- Process payroll and program expenses

Capacity building

- Governance structure
- Anti-oppression training
- Strategic Planning
- Opportunity to attend internal training and conferences

FoodShare Collaboration

- Mentoring
- Support project development
- Resource sharing (car, hot desk, insurance, use of industrial kitchen at nonprofit rate, job placement staff, interns and facilitator, Human Resources support)
- Share professional development opportunities
- Support event planning

Networking Opportunities

- Welcome to FoodShare events
- Build connections with project partners, advisory members and FoodShare's staff
- Advice and guidance in problem solving
- Support media communications (promote events, updates on FoodShare's social media and newsletter)
